

Curriculum Vitae

I. PERSONAL DATA

Name: Harlan R. Muntz

Birth Place: Lexington, KY

Citizenship: United States

II. EDUCATION

A. Baccalaureate Degree

1970 - 1973 BS, Miami University, Oxford, OH

1969 - 1970 Wright State University, Dayton, OH

B. Advanced Degree

1973 - 1977 MD, Washington University, St. Louis, MO, Medicine

C. Resident/Fellowship Training

1978 - 1982 RESIDENT, Barnes-Jewish Hospital North, St. Louis, MO, Otolaryngology

1977 - 1978 RESIDENT, Barnes-Jewish Hospital North, St. Louis, MO, Surgery

D. Postdoctoral Fellowship

E. Other Training

III BOARD CERTIFICATIONS

Am Bd Otolaryngology (Otolary), 03/15/1983, Certified - does not expire

IV. CURRENT LICENSES/CERTIFICATIONS

State License (UT) 2006-2008

CS (UT) 2006-2008

DEA Certificate (UT) 2004-2008

V. ACADEMIC HISTORY

Surgery (Otolaryngology-Head and Neck Surgery)

Hire, Tenure Track-Clinician Scholar, Professor, 07/01/2000

Tenure, 07/01/2005

VI. PROFESSIONAL EXPERIENCE

A. Full Time Positions

2000 - Present	Professor of Otolaryngology, University of Utah, Head and Neck Surgery, Salt Lake City, UT
2000 - Present	Director, Pediatric Otolaryngology, University of Utah, Salt Lake City, UT
1996 -2000	Compliance Officer, Washington University School of Medicine, Washington
1991 -2000	Academic Staff, Jewish Hospital,
1990 -2000	Associate Professor of Otolaryngology-Head, Washington University School of Medicine, Washington
1985 -2000	Assistant Professor of Otolaryngology in Pediatrics, Washington University School of Medicine, Washington
1985 -1989	Academic Staff, Regional Hospital,
1984 -2000	Director, St. Louis Children's Hospital, Speech Physiology Laboratory, St. Louis, Missouri
1982 -1990	Assistant Professor of Otolaryngology, Washington University School of Medicine, Head and Neck Surgery, Washington
1982 -1984	Acting Director of Pediatric Otolaryngology, St. Louis Children's Hospital,
1982 -1983	Associate in Otolaryngology, Jewish Hospital,
1982 -2000	Academic Staff, Barnes Hospital,
1982 -2000	Academic Staff, St. Louis Children's Hospital,

B. Part Time Positions

C. Editorial Experience

1998 - Present	Editorial Board for International Journal of Pediatric Otorhinolaryngology
1989 -1991	Editorial Board for Cleft Palate Journal

Reviewer Experience

D. Research Awards

Contracts	Phosphorylcholine Coated Ventilation Tube Study Protocol. Fixed Price. 11/01/2002 - 12/31/2004. Gyrus Ent Llc, Direct Costs: \$32,254. Total costs: \$41,124. Principal Investigator.
-----------	---

2005 - Present	President-Elect, Primary Children's Medical Center, Department of Surgery
2002 - Present	Member, Primary Children's Medical Center, SQUIT- Quality Assurance
1998 -2000	Executive Council, American Cleft Palate Association-Craniofacial Association
1998 -2000	Board of Directors, American Society of Pediatric Otolaryngology
1998 -2000	Committee Member, American Society of Pediatric Otolaryngology, Fellowship Committee
1997 -2000	Committee Member, Cleft Palate Foundation, Long Range Planning Committee
1995 -1998	Chair, American Society of Pediatric Otolaryngology, Ethics Committee
1995 -1998	Committee Member, American Cleft Palate Association-Craniofacial Association, Membership Committee
1994 -2000	Committee Member, American Cleft Palate Association-Craniofacial Association, Government Affairs Committee
1992 -1996	Board of Directors, Society for Ear, Nose & Throat Advances in Children
1992 -1993	Committee Member, American Cleft Palate Association-Craniofacial Association, Research Grant Committee
1992 -2000	Director, Tracheotomy Airway-Communications Team (T.A.C.T)
1990 -1992	Committee Member, American Cleft Palate Association-Craniofacial Association, Exhibitors Committee
1989 -1990	Committee Chair, American Cleft Palate Association-Craniofacial Association, Program Committee

Symposium/Meeting Chair/Coordinator

2004	American Rhinological Society Annual Meeting, New York City - Served as Moderator of Panel on Pediatric Sinusitis.
------	--

IX. PROFESSIONAL COMMUNITY ACTIVITIES

2005 - Present	Advisory Board, The Institute for the Study of Christianity and Culture (ISCC)
2005 - Present	Director, Primary Children's Medical Center, Founder and Director of the Trach-Vent Clinic at Primary Children's Medical Center

- 2001 -2003 TVPPF Board of Directors, Salt Lake Christian Center, The Victor
Passion Play Foundation (TVPPF) Leadership Team
- 2000 - Present Committee Member, Intermountain Health Care, Otitis Media Practice
Guidelines Committee, Salt Lake City, UT

X. UNIVERSITY COMMUNITY ACTIVITIES

A. Division Level

- 2004 - Present Assistant Director, Otolaryngology, Residency
- 2002 - Present Committee Member, Otolaryngology, Finance Committee
- 2000 - Present Director, Pediatric Otolaryngology, Primary Children's Medical Center
- 1995 -2000 Committee Member, Otolaryngology, Education Oversight Committee
- 1994 -2000 Physician, Otolaryngology, Physician Supervisor
- 1993 -2000 Chair, Otolaryngology, Billing and Collections Advisory Committee

B. Other Internal

- 1999 -2000 Committee Member, Washington University School of Medicine,
Medical Alumni Executive Council Committee
- 1997 -2000 Social Chairman, Washington University Alumni Reunion, .
- 1996 -2000 Compliance Officer, Washington University Medical Center, .
- 1996 -2000 Compliance Liason, Washington University School of Medicine,
Otolaryngology
- 1994 -1996 Committee Member, St. Louis Children's Hospital, Reengineering
Steering Committee
- 1993 -2000 Member, Washington University Medical Center, Ethics Education
Consortium
- 1990 -2000 Chair, St. Louis Children's Hospital, Medical Ethics Subcommittee
- 1989 -1995 Committee Member, St. Louis Children's Hospital, Medical Quality
Assurance Subcommittee
- 1985 -1994 Committee Member, St. Louis Children's Hospital, Capital Equipment
Committee
- 1985 -2000 Committee Member, St. Louis Children's Hospital, Infection Control
Subcommittee

1985 -1992	Committee Member, St. Louis Children's Hospital, Hospital Critical Care Subcommittee
1984 -1986	Committee Member, St. Louis Children's Hospital, Hospital Advisory Committee
1982 -1983	Committee Member, Jewish Hospital, Quality Assurance Committee
1982 -1983	Committee Member, Jewish Hospital, Research Committee
1982 -1984	Committee Member, St. Louis Children's Hospital, OR Committee

C. Interest Groups

XI. CURRENT MEMBERSHIPS IN PROFESSIONAL SOCIETIES

American Academy of Otolaryngology/Head and Neck Surgery
 American Academy of Pediatrics
 American Broncho-Esophagological Association
 American Cleft Palate Association-Craniofacial Association
 American College of Surgeons
 American Medical Association
 American Rhinologic Society
 American Society of Pediatric Otolaryngology
 Christian Society of Otolaryngology- Head and Neck Surgery
 Missouri ENT Society
 Pan American Association of Otorhinolaryngology-Head & Neck Surgery
 Society for Ear, Nose & Throat Advances in Children
 St. Louis ENT Society

XII. TEACHING RESPONSIBILITIES/ASSIGNMENTS

A. Course and Curriculum Development

2006 - Present	Antimicrobials and the Development of Bacterial Resistance - Course developed in Kolkata, India for Mission of Mercy Hospital.
2005 - Present	Obstructive Sleep Apnea - course developed in Kolkata, India for Mission of Mercy Hospital
2005 - Present	"Velopharyngeal Insufficiency" - Lecture given during Northwestern University Grand Rounds
2005 - Present	Paul Holinger Memorial Lecture - "Chronic Sinusitis"
2005 - Present	"Adenoids and Tonsils" course created for the American Academy of

Otolaryngology--Head and Neck Surgery

- 2004 - Present "Otitis Media Roll Out" - developed for Intermountain Health Care Corporation
- 2003 Established a Center of Excellence in Cleft Care in Calcutta, India with Mission of Mercy Hospital. Performed cleft surgeries on patients who otherwise could not afford this procedure. The goal is to continue a free cleft camp twice a year and to continue to train hospital personnel in Calcutta.
- 2003 Co-Director of "Utah Rhinology Course- Advances in Adult and Pediatric Endoscopic Management", Salt Lake City, UT
- 2002 "Diagnosis and Treatment of Otitis Media- A Hands-on Experience". Workshop held at Primary Children's Medical Center to enhance participants' skills in the diagnosis and management of otitis media in children- Co-Director
- 2002 "Getting the Most from the Adolescent Voice". Workshop sponsored by the University of Utah Voice Disorders Center and held at Primary Children's Medical Center.- Co-Director
- "Optimizing the Management of Pediatric Infectious Disease". Program designed to review challenges in the diagnosis of, and treatment strategies for acute otitis media, sinusitis, and pharyngotonsillitis. Sponsored by Medical Media Communications- Multiple presentations to pediatricians and family practice physicians from 2001 to present-

B. Courses Directed

C. Course Lectures

- 2004 Chile Otolaryngology Courses:
- a. Normal Anatomy Congenital/ Acquired Lesions of the Larynx/tracheobronchial tree
 - b. Foreign Body Extraction
 - c. Aspiration- ENT perspective
 - d. Airway Reconstruction Techniques
 - e. Study and Management of Airway Foreign Body (Pediatrics)
 - f. Laryngeal Trauma
 - g. Sensorineural Hearing Loss
- 2004 Mexico Otolaryngology Courses:
- a. Medical Advances in Sinusitis Treatment
 - b. GERD & Sinusitis
 - c. Tips of Pediatric FESS
 - d. Management of Congenital Lesions of the Nose Sinus
 - e. Case Studies in Pediatric Sinus

- 2003 "Epidemiology of Cleft Lip & Palate", Lecture to nursing school - Taught in Kolkata, India - Mission of Mercy Hospital
- 2003 "Feeding the Cleft Palate Baby", Lecture to nursing school - Kolkata, India - Mission of Mercy Hospital
- 2003 Kolkata, India- Mission of Mercy Hospital Lectures: "Epidemiology of Cleft Lip and Palate", Lecture to hospital staff
- 2003 National AAO Meeting, presentation on VPI and a Sinus Course
- 2003 "Medical Management of Pediatric Sinusitis", Utah Sinus Endoscopy- Co-Director
- 2003 Lectures in Bogata, Columbia- Sinus Course, "Medical Management of Pediatric Sinusitis" "Pediatric Endoscopic Sinus Surgery" Post-operative Management of Children" "Sinonasal Tumors" Choanal Atresia" Complications in Pediatric Sinus Surgery" Rhinology course in Bogata, Columbia for a week in February 2002, 2003, and 2004 Sinus Course- Bogata, Columbia- February 2002, 2004
- 2002 Development of Pediatric Otolaryngology curriculum for Otolaryngology- Head and Neck Surgery Residency Program at University of Utah- Director
- 2001 Roll Out Otitis Media Guidelines
- 2000 Tumors in Children. Otolaryngology Core Curriculum, St. Louis, MO
- 1999 Flexible Endoscopy of the Velopharynx. Panel: Techniques in Airway Reconstruction. Video case presentations. Pediatric Airway Endoscopy course, Chicago, IL
- 1999 Diagnosis and Management of VPI. Pediatric Sinusitis: Medical Management. Mini-Seminar: Update on the Etiology and Management of Pediatric Chronic Sinusitis. American Academy of Otolaryngology- Head and Neck Surgery Annual meeting, New Orleans, LA
- 1999 Ethical Dilemmas in the Perioperative Management of Pediatric Jehovah's Witnesses. Anesthesiology Fellowship group at St. Louis Children's Hospital
- 1998 Pediatric Laryngeal Disease. Otolaryngology Core Curriculum, St. Louis, MO
- 1998 Adenoidectomy and Tonsillectomy: Indications. Mouth Breather and Orthodontic Problems. Chronic Rhinitis. Panel Discussion: OME Treatment. Immunological Alterations and Allergy. Asthma and

- Rhinosinusitis. Non-endoscopic Surgical Management. FES: Indications and Results. VPI Management. Panel Discussion:" Laryngeal Microsurgical Techniques. Surgical Indication for FES in Rhinosinusitis. Modern Instrumentation: Microdebridors, Drills and Image Guided Surgery. Approach to Head and Neck Masses in Children. Panel Discussion: Evaluation of Airway Obstruction and Noises in Children. CFS Leak: Spontaneous and Iatrogenic. Laboratory instructor. Pediatric Endoscopy Course, Santiago, Chile
- 1998 Cleft Lip/Palate Otolaryngology Core Curriculum, St. Louis, MO
- 1998 Congenital Pediatric Sensorineural Hearing Loss. Otolaryngology Core Curriculum, St. Louis, MO
- 1998 Speech/Language. Otolaryngology Core Curriculum, St. Louis, MO
- 1998 Diagnosis and Management of Velopharyngeal Insufficiency. Pediatric Sinusitis: Medical Management. American Academy of Otolaryngology-Head and Neck Surgery Annual annual meeting, San Antonio, TX
- 1997 Otolaryngology Home Studies course, St. Louis, MO
- 1997 Case Studies and Discussion. Flexible Endoscopy of the Velopharynx. Techniques in Airway Reconstruction- Panel Discussion. Video Case Presentations. Pediatric Airway Endoscopy Course, Chicago, IL
- 1997 Tumors in Children. Otolaryngology Core Curriculum, St. Louis, MO
- 1997 Pediatric Sinusitis: Medical and Surgical Management. Revision of Pediatric Endoscopic Sinus Surgery. Diagnosis and Management of Velopharyngeal Insufficiency. Panel: The Changing World Managed Care: Its Impact on the Care of Children with Otolaryngology Disorders. American Academy of Otolaryngology- Head and Neck Surgery annual meeting, San Francisco, CA
- 1997 Gastroesophageal Reflux. Radiography of the Airway and Esophagus. Feeding and Swallowing Problems. Anesthesia for Pediatric Endoscopy. Techniques in Airway Reconstruction- Panel discussion. Tracheotomy-Technique, Complications, Home Management. Stroboscopy. Photographic Documentation. Flexible Endoscopy of the Velopharynx. Laboratory instructor. Pediatric Endoscopy Course, Santiago, Chile
- 1997 Definition and Surgical Management- Non-Endoscopic of Sinusitis. The Washington University Condensed Pediatric Sinus Course Workshop at The Cottle International Rhinology Centennial meeting, Philadelphia, PA
- 1994 Middle Ear Problems in Cleft Palate Children. Oral Facial Anomaly class at Fontbonne College, St. Louis, MO

D. Clinical Teaching

2000 - Present Oversight of Resident Rotation - Primary Children's Medical Center

E. Laboratory Teaching

F. Small Group Teaching

G. Students Supervised

2004 - Present Supervision of students selected for "The Doctor-Patient Relationship" who shadow Primary Children's Medical Center ENT clinics.

H. Graduate Student Committees

I. Educational Lectures

Didactic Lectures

2005	Cleft Lip and Palate
2005	Evaluation & Treatment of Micrognathia
2005	Complications of Sinusitis
2005	Pediatrics - Cleft Lip
2004	Pediatrics Cleft Palate
2004	Pediatrics Case Presentations
2003	Pediatric Maxillofacial Trauma
2003	VPI
2003	Cleft Palate
2003	Bilateral Cleft Lip
2003	Unilateral Cleft Lip
2003	Difficult Intubation

Department/Division Conferences

J. Continuing Education

CE Courses Developed

CE Courses Taught

K. Other Educational Activities

1. **Muntz HR**, et al. (2003). Health Parental Pamphlet: Cleft Palate and Hearing Loss. Developed for the Cleft Palate Foundation to inform parents and families about hearing loss, cleft palate and middle ear disease, speech and language development for cleft palate children and treatment information. Cleft Palate Foundation.
2. **Muntz HR**, et al. (2003). Health Parental Pamphlet: Understanding Otitis Media. Medical pamphlet designed to inform parents and families about otitis media and methods of prevention. Intermountain Health Care Clinical Education Services.
3. **Muntz HR**, Sturdevant E, Niesen A, Blount M. (1987). Health Parental Pamphlet: Living Normally With Your Child's Tracheotomy.
4. **Muntz HR**, et al. (). Health Parental Pamphlet: An EENT (Eyes, Ears, Nose and Throat) Guide to the Ectodermal Dysplasias. National Foundation for Ectodermal Dysplasias.

XIII. ORAL PRESENTATIONS

Keynote/Plenary Lectures

International

- | | |
|------|---|
| 2006 | Guest Professor presenting "Antibiotics in a Time of Increasing Resistance" at Mission of Mercy Hospital and Research Center, Kolkata, India. |
| 2005 | Guest Processor, presenting "Obstructive Sleep Apnea in Children" at Mission of Mercy Hospital and Research Center, Kolkata, India. |
| 2004 | Guest Lecturer, Guest Lecturer at the Mexican Congress of Otolaryngology-Head & Neck Surgery - Pre-Conference Symposium, (10/2004), including teaching the following courses: "Allergic Fungal Sinusitis" "Case Studies in Pediatric Sinusitis" "Endoscopic Sinus Surgery in Children--When & How" "Extra Esophageal Reflux" "Infants and Obstructive Apnea" "Medical Management of Chronic Sinusitis". |
| 2004 | Guest Lecturer, Guest Lecturer - Santiago Chile teaching the following courses: "Airway Foreign Bodies" "Aspiration--The Otolaryngologist's Perspective" "Laryngeal Trauma in Children" "Normal Laryngeal Anatomy" "Removal of Aerodigestive Foreign Bodies" "Tracheotomy in Children". |
| 2004 | Guest Lecturer, Guest Lecturer teaching the following courses at the International Course of Advanced Surgery of the Nose & Paranasal Sinuses in Mexico City, Mexico (7/2004): "Choanal Atresia" "Chronic Sinusitis in Children" "Pediatric Endoscopic Sinus Surgery" "Medical Management of Pediatric Sinusitis" "Sinonasal Tumors of Childhood" "Case Studies in Pediatric Sinusitis". |

Meeting Presentations

International

- 1999 Laryngeal Stridor. Management of Acute Airway Distress. Approach to the Cyanotic Infant. Panel: Otolaryngology Approach, International Course in Pediatrics, Vina del Mar, Chile.
- 1999 The Role and Indications of Sinus Surgery in Pediatrics. Pediatric Sinus Surgery: How I Do It? Treatment of Pediatric Sinusitis. Prosection demonstration. Panel: Functional Endoscopic Sinus Surgery: Myth vs. Reality, Advanced Endoscopic and Image Guided Sinus Surgery and the Canadian Society of Otolaryngology HNS 53rd annual meeting, Halifax, Nova Scotia.
- 1999 Acquired and Congenital Airway Problems. Stroboscopy, Catholic University, Santiago, Chili.
- 1989 Muntz HR, D'Antonio LL: Reliability of Video Nasoendoscopy in Rating Velopharyngeal Closure. International panel on reporting of video nasoendoscopy results. Jerusalem, Israel.

National

- 2004 American Academy of Otolaryngology-Head and Neck Surgery Annual Meeting in New York City - presentation: "Advanced Techniques in VPI Management". Presented with Kathy Sie, MD.
- 2004 American Academy of Otolaryngology-Head and Neck Surgery Annual Meeting in New York City - presentation: "Pediatric Sinusitis: An Update and In-depth Review of Controversial Issues" - Presented with Rodney Lusk, MD.
- 2004 American Academy of Otolaryngology-Head and Neck Surgery Annual Meeting in New York City - presentation: "Assessment and Management of Velopharyngeal Insufficiency" - Presented with Andrew Blitzer, MD.
- 2004 Moderator, Panel moderator for the Genetics Section of ACPA National Meetings (3/2004).
- 2004 Presentation on "Tongue Lip Adhesion and Care of Children with Robin Sequence" - WESPO Conference (1/2004).
- 2003 "Assessment and Management of Acute Otitis Media" Pediatricians and primary care physicians at Rivers restaurant.
- 2003 "Otitis Media Update" Wee Care Pediatrics, Davis Hospital.

- 2002 Pediatric Voice and Vocal Cord Dysfunction and presented case reports for the Pediatric Airway Endoscopy Course, Chicago, IL.
- 2002 24th Annual Common Problems in Pediatrics Seminar- "Obstructive Sleep Apnea in Children" Intermountain Health Care, Salt Lake City, UT.
- 1999 Physicians Outreach Seminar, Overview of Pediatric Sinusitis, Quincy, IL.
- 1998 Ear Disease in Cleft Palate Children. Oral Facial Anomaly class at Fontbonne College, St. Louis, MO.
- 1997 Pediatric Sinusitis, Northwest Radiology Network Sinusitis Program, Indianapolis, IN.
- 1997 Diagnosis of Sinusitis in Children. Surgical Aspects to the Care of Children with Chronic Sinus Disease, Annual meeting of the Association of Otorhinolaryngology and Maxillo-Facial Surgery of Quebec, Quebec City.
- 1997 Middle Ear Problems in Cleft Palate Children. Oral Facial Anomaly class at Fontbonne College, St. Louis, MO.
- 1997 Pediatric Laryngeal Disease. Otolaryngology Basic Science Lecture, St. Louis, MO.
- 1997 Panel: Sinus Surgery in Children: Indications and Operations, The Second US/UK Joint Otolaryngology meeting, Boston, MA.
- 1996 Cleft and Middle Ear Disease. Oral Facial Anomaly Class at Fontbonne College, St. Louis, MO.
- 1996 Precertification and Billing Issues in Common Otolaryngologic Surgery, Oklamona Academy of Otolaryngology- Head and Neck Surgery annual meeting, Colorado Springs, CO.
- 1996 Upper Airway Infections. PL-1 Orientation, St. Louis Children's Hospital, St. Louis, MO.
- 1995 Middle Ear Problems in Cleft Palate Children. Oral Facial Anomaly class at Fontbonne College, St. Louis, MO.
- 1995 Functional Endoscopic Sinus Surgery in Children, Missouri Society of Otolaryngology- Head and Neck Surgery, St. Louis, MO.
- 1993 Management of Velopharyngeal Dysfunction, Society of Ear, Nose, and Throat Advances in Children, Pittsburgh, PA.
- 1993 Single Stage Laryngotracheoplasty. Tracheostomy: Techniques, Tubes, Complications and Decannulation. Functional Endoscopic Sinus Surgery. Surgical Techniques in Pediatric Otolaryngology Course, Boston, MA.
- 1993 Velopharyngeal Incompetence. The 6th International Symposium of Facial Plastic Surgery, San Francisco, CA.
- 1993 Eaton AC, Marsh JL, Grames LM, Muntz HR, Gay WD: Differential Management of Velopharyngeal Dysfunction Based Upon Differential Diagnosis. American Cleft Palate-Craniofacial Association, Pittsburgh, PA.

- 1993 Laryngeal/ Tracheal Vocal Cord Pathology and Treatment. The University of Illinois Division of Specialized Care for Children staff Conference, Springfield, IL.
- 1992 Pediatric Sinusitis, New York Allergy Society's Teaching Day, New York, NY.
- 1992 Lusk RP, Muntz HR: Management of Pediatric Sinusitis. American Academy of Otolaryngology- Head and Neck Surgery Annual Meeting, Washington, DC.
- 1991 Lusk RP, Muntz HR: The Medical Management and Surgical Treatment of Pediatric Acute and Chronic Sinusitis, With Special Emphasis On Pediatric Endoscopic Sinus Surgery. American Academy of Otolaryngology- Head and Neck Surgery. Kansas City, MI.
- 1991 Physicians Outreach Seminar, Treatment of Cleft Palate- The Team Approach, Champaign/ Urbana, IL.
- 1991 Otolaryngology and The Care of The Cleft Palate- Craniofacial Disorder Patient. American Cleft Palate-Craniofacial Association Consensus Conference, Pittsburg, PA.
- 1990 Lusk RP, Muntz HR: The Medical Management and Surgical Treatment of Pediatric Acute and Chronic Sinusitis, With Special Emphasis and Pediatric Endoscopic Sinus Surgery. American Academy of Otolaryngology- Head and Neck Surgery, San Diego, CA.
- 1990 Evaluation of the Child with Chronic Runny Nose. Functional Endoscopic Sinusotomy in Children: Indications, Techniques, Results. Complications of Chronic Sinusitis and Otitis Media. Sacramento Pediatrics Society, Sacramento, CA.
- 1990 Muntz HR, Marsh JL, Karzon RK: Audiological Management of Bilateral External Auditory Canal Atresia With the Bone-Conducting, Implantable Hearing Device. American Cleft Palate-Craniofacial Association. St. Louis, MO.
- 1989 Medical and Surgical Aspects of Chronic Sinusitis in Children. Lecture to Allergy Society of Buffalo, Buffalo, New York.
- 1989 Endoscopic Sinus Surgery, the New Frontier. American Academy of Pediatrics, Chicago, IL.
- 1989 Muntz HR: Otolaryngologic Aspects of Cleft Care- International Congress Meeting. Jerusalem, Israel.
- 1989 Physicians Outreach Seminar, Treatment of Cleft Palate- The Team Approach, Mt. Vernon, IL.
- 1988 Physicians Outreach Seminar, Treatment of Cleft Palate- The Team Approach, Springfield, MO.

- 1988 Physicians Outreach Seminar, Pediatric Sinusitis An ENT Point of View, Cape Girardeau, MO.
- 1987 Physicians Outreach Seminar, Speech and Hearing Concerns in the Cleft Palate, Decatur, IL.
- 1987 Physicians Outreach Seminar, Antibiotics for Ear Inflammations. Effingham, IL.
- 1986 Gay WD, D'Antonio LL, Muntz HR, Marsh JL: The Role of Fiberoptic Nasoendoscopy and Aerodynamic Measures in Planning and Fitting Palatal Prosthesis. The Canadian Craniofacial Society Symposium and Annual General Meeting. Toronto, CANADA.
- 1986 D'Antonio LL, Moon J, Muntz HR, Marsh JL: Assessing Nasal Airway Obstruction: Clinical Approach. Second Annual Meeting of the North American Working Group of Cleft Palate and Craniofacial Anomalies. Toronto, CANADA.
- 1985 D'Antonio LL, Muntz HR: Assessment-Management of the Velopharynx/Larynx for Speech. The Annual Meeting of the Illinois Speech-Language-Hearing Association, Chicago, IL.
- 1982 The Use of CO2 Laser Pediatric Airway Problems. Missouri ENT Society, Lake of the Ozarks, MO.
- 1981 Muntz HR: Kambic Laryngoplasty- A Useful Technique in Laryngeal Reconstruction. The Missouri ENT Society. Lake of the Ozarks, MO.
- 1981 Muntz HR, Smith PG: Karapendzic Flap, An Alternative to Cross Lip and Distal Flaps in the Repair of Ablative Lip Lesions. The American Academy of Otolaryngology- Head and Neck Surgery. New Orleans, LA.
- 1980 Muntz HR, Grames LM, Marsh J. Approach to Reporting Velopharyngeal Data at Children's Hospital. International Group for Standardizing Reporting of Endoscopic and Fluoroscopic Velopharyngeal Data. New York.

Local/Regional

- 2004 Speaker, Presentation on "The Drooling Child" given at Otolaryngology Update at Primary Children's Medical Center (6/2004).
- 2004 Invited Guest Speaker, for Abbott Laboratories lecturing at various local venues to pediatric physicians on "Respiratory Infections" and "Otitis Media" and "Sinusitis".
- 2004 Gave presentation on "Epistaxis" for VonWillebrand Education Meeting..

Invited/Visiting Professor Presentations

International

- 2005 Gave various presentations on infants with cleft palate and the epidemiology of cleft lip & palate at Cleft Camp - Mission of Mercy Hospital, Kolkata, India..
- 2004 Gave presentation on "Feeding the Infant with Cleft Palate" and "Epidemiology of Cleft Lip & Palate" at Cleft Camp - Mission of Mercy Hospital, Kolkata, India..
- 2003 Gave presentation on "Feeding the Infant with Cleft Palate" and "Epidemiology of Cleft Lip & Palate" at Cleft Camp - Mission of Mercy Hospital, Kolkata, India..
- 2003 Guest Lecturer for International Course of Endoscopic Sinus and Skull Base Surgery in Bogata, Columbia (2/2003) teaching the following courses: "Choanal Atresia" "Complications in Pediatric Sinus Disease" "Cystic Fibrosis" "Pediatric Sinus Disease" "Post-operative Care in Pediatric Endoscopic Sinus Surgery" "Sinonasal Tumors in Children".

National

- 2005 presenting the Paul H. Holinger, MD Professor in Pediatric Otolaryngology Lecture at Children's Memorial Hospital, Chicago, Illinois, entitled, "Do Children Ever Need Sinus Surgery?" (02/11/2005).
- 2003 "Assessment and Management of VPI", University of Texas Southwest, Department of Otolaryngology- Dallas, TX..
- 1982 Myocutaneous Flaps in the Approach to Lip Cancer. Homer Phillips Hospital Annual Conference. St. Louis, Missouri.
- 1982 Practical Office-ENT for the Primary Care Clinician. St. Luke's Hospital East, St. Louis, Missouri.

Local/Regional

- 2004 Invited Speaker: Utah Nurse Practitioners Association Meeting held at Shriner's Childrens Orthopedic Hospital, Salt Lake City, UT. Topic: "Current Concepts in Managing Otitis Media and Sinusitis".

Grand Rounds Presentations

1. Do Children Ever Need Sinus Surgery? Paul H. Holinger, MD Professor in Pediatric Otolaryngology Lecture for Pediatric Grand Rounds at Children's Memorial Hospital, Chicago, Illinois. (2005)
2. Epidemiology of Cleft Lip and Palate. Possible Implications of Thalassemia (2003)
3. Advances in Treatment of VPI, First Annual Steve Gray Memorial Lecture, Primary Children's Medical Center (2003)
4. Coding and Compliance Update. St. Louis, MO (2000)

5. Pediatric ENT Emergencies. St. Louis, MO (1999)
6. Ethical Implications in the Deaf Community. St. Louis, MO (1999)
7. Compliance Update. St. Louis, MO (1998)
8. Case Studies in Medical Ethics. St. Louis Children's Hospital, St. Louis, MO (1998)
9. Ethical Implications of Genetic Information. St. Louis Children's Hospital, St. Louis, MO (1998)
10. Ethics of Practice Guidelines, St. Louis Children's Hospital, St. Louis, MO (1998)
11. Update on EM Coding, St. Louis, MO (1998)
12. Papilloma Update, St. Louis, MO (1997)
13. New E&M Code Guidelines, St. Louis, MO (1997)
14. Ethics and Managed Care, St. Louis Children's Hospital, St. Louis, MO (1996)
15. When Is It Too Much- Futility. St. Louis Children's Hospital, St. Louis, MO (1994)
16. Endoscopic Sinus Surgery, Albany Medical College, Albany, NY (1991)
17. Pediatric Sinusitis, Children's Hospital of Buffalo, New York (1989)
18. History of Brochoesophagoscopy. Otorhinolaryngology Grand Rounds, Washington University School of Medicine, St. Louis, MO (1989)
19. Pediatric Sinus Disease and Assessment of Velopharyngeal Function. Otorhinolaryngology, University of California, Davis (1989)
