

CURRICULUM VITAE

Frank M. Warren, III, MD

Born: Portland, Oregon

Citizenship: USA

EDUCATION

Cate School 1985-1988
Carpinteria, California

Tufts University 1988-1992
Bachelor of Science, Biology
Medford, Massachusetts

Oregon Health and Science University 1995-1999
Doctor of Medicine
Portland, Oregon

POSTGRADUATE MEDICAL TRAINING

Internship 1999-2000
Oregon Health and Science University
Department of Surgery

Residency 2000-2004
Oregon Health and Science University
Department of Otolaryngology, Head and Neck Surgery
Board eligible by 2004

Fellowship, Neurotology/Skull-Base Surgery 2004-2006
The Otology Group at Vanderbilt

PROFESSIONAL EXPERIENCE

Full-Time Positions

Assistant Professor of Surgery, Clinician Scholar, Tenure Track, Division of
Otolaryngology-Head and Neck Surgery, University of Utah School of
Medicine, Salt Lake City, UT
2006-present

Staff Physician, Otolaryngology-Head and Neck Surgery Section, George E.
Wahlen Veterans Affairs Medical Center, Salt Lake City, UT
2006-present

HONORS AND AWARDS

Elected to Alpha Omega Alpha
Graduated Cum Laude, Oregon Health and Science University
Winner Poster Competition Western Section Meeting February 2004

PROFESSIONAL SOCIETIES

American Academy of Otolaryngology
Triological Society
American Medical Association
Oregon Academy of Otolaryngology

PRESENTATIONS – NATIONAL/REGIONAL

“Management of carotid blowout using endovascular stent grafts”

Western Section Triological Society Meeting
Carlsbad, California February 2000

“Intraoperative parathyroid levels in thyroid and parathyroid surgery”

Western Section Triological Society Meeting
Pasadena, California February 2001

“The reverse flow flap in the vessel-depleted neck”

Poster Presentation
Annual meeting of the AAO-HNS
San Diego, California September 2002

“Perioperative parathyroid levels in thyroid surgery”

Western Section Triological Society Meeting
Palm Desert, California February 2003

“Abnormal position of the facial nerve in chronic ear surgery: a case report”

Poster Presentation
Western Section Triological Society Meeting
Carlsbad, California February 2004

“Postoperative MRI appearance of inner ear after hearing preservation surgery”

American Neurotologic Society
Boca Raton, Florida May 2005

“Surgical outcomes for chronic ear disease complicated by labyrinthine fistula”

Western Section Triological Society Meeting
San Diego, CA February 2006

“Percutaneous cochlear access using bone-mounted, customized drill guides:
demonstration of concept in vivo”

American Otologic Society
Chicago, IL May 2006

PRESENTATIONS-LOCAL

“Pediatric cholesteatoma”

Resident talk
OHSU Department of Otolaryngology-HNS Grand Rounds
Portland, Oregon November 2000

“Congenital inner ear malformations”

Resident talk

OHSU Department of Otolaryngology-HNS Grand Rounds
Portland, Oregon May 2001

“Molecular biology of head and neck squamous cell carcinoma”

Resident talk

OHSU Department of Otolaryngology-HNS Grand Rounds
Portland, Oregon August 2001

“Alterations in BH-protocadherin expression in HNSCC”

Resident Paper

OHSU Department of Otolaryngology-HNS Grand Rounds
Portland, Oregon November 2002

“Meniere’s disease and allergy: a review of the evidence”

Resident talk

OHSU Department of Otolaryngology-HNS Grand Rounds
Portland, Oregon February 2003

PUBLICATIONS

Warren FM, Cohen JI, Nesbit GM, Barnwell SL, Wax MK, Andersen PE
Management of carotid ‘blowout’ with endovascular stent grafts.
Laryngoscope
March 2002

Andersen PE, Warren F, Spiro J, Burningham A, Wong R, Wax MK, Shah JP,
Cohen JI
Results of selective neck dissection in management of the node-positive
neck.
Archives of Otolaryngology, Head and Neck Surgery
October 2002

Warren FM, Andersen PE, Wax MK, Cohen JI
Intraoperative parathyroid hormone levels in thyroid and parathyroid
surgery.
Laryngoscope
October 2002

Warren FM, Andersen PE, Wax MK, Cohen JI
Perioperative parathyroid levels in thyroid surgery: a preliminary report.
Laryngoscope
April 2004

Kaylie DM, Warren FM, Haynes DS, Jackson CG
Neurotologic management of intracranial epidermoid tumors.
Laryngoscope

June 2005

-3-

Wotten CT, Kaylie DM, Warren FM, Jackson CG

Management of brain herniation and cerebrospinal fluid leak in revision chronic ear surgery.

Laryngoscope

July 2005

Kaylie DM, Wittkopf JE, Coppit G, Warren FM, Jackson CG

Revision lateral skull base surgery.

Otology and Neurotology

February 2006

Warren FM, Kaylie DM, Aulino JM, Jackson CG, Weissman JL

Post-operative MRI appearance of the inner ear after hearing preservation surgery.

Otology and Neurotology

April 2006

Warren FM, Labadie RF, Fitzpatrick JM

Percutaneous cochlear access using bone-mounted, customized drill guides: demonstration of concept in vivo.

Accepted for publication in *Otology and Neurotology*

October 2006

ACTIVE RESEARCH

Warren FM, Shelton C, Blevins K, Salzman K, Wiggins R, Harnsberger R

Surgical management of congenital mastoid cholesteatomas.

Abstract submitted to the Western Section of the Triological Society

August 2006

Warren FM, Bennett ML, Kaylie DM, Jackson CG

Surgical outcomes for chronic ear disease complicated by labyrinthine fistula.

Manuscript submitted to *Otology and Neurotology*

October 2006

Warren FM, Shelton C

The G-flap incisional technique for cochlear implantation.

Abstract submitted to the American Otologic Society

October 2006

Al-Marzouqui H, Warren FM, Labadie RL, Noble JH, Fitzpatrick JM, Dawant B

Determination of drill paths for percutaneous cochlear access accounting for target positioning error

Abstract accepted for presentation at SPIE Symposium on Medical Imaging

October 2006

Noble JH, Warren FM, Labadie RL, Fitzpatrick JM, Dawant B
Planning a safe drilling path for cochlear implantation surgery using image
registration techniques
Abstract accepted for presentation at SPIE Symposium on Medical
Imaging
October 2006

PERSONAL INTERESTS

Golf, Volleyball, Basketball, Snowboarding
